Dear Rabbi Ekstein:

It was a great pleasure and privilege to meet with you and have the opportunity to learn, first-hand, about the wonderful activities of your organization. All of us at Beth Israel are delighted to be able to support your efforts, especially, through Dr. Bressman's research efforts, which are very much in keeping with the mission of "Dor Yeshorim".

Please feel free to call on me at any time if we can provide additional assistance for your important work. I know that Dr. Bressman would also be delighted to assist you when there are areas of common interest, and mutual benefit.

Sincerely,

Matthew E. Fink, M.D.
